Pre-Conference Workshops:

Two full-day options as well as two half-day options for pre-conference is available. We welcome the Healthy Minds Group, Dr. George Parks, a presentation on Medication-Assisted Treatment, and a one looking at community corrections in ASEAN and North American countries.

Workshop Sessions:

20 workshops, split into four sessions, will be offered over the course of three days, each session consisting of 90-minute presentations in various formats.

Plenary Sessions:

A total of five plenary sessions, including a panel on local issues, a panel on Opiate Use Disorder, and three individual presentations. One on the Stepping Up Initiative, one on housing and one on employability will be offered.

Manufacturing Facility Tours:

An optional tour of Plant I & Plant II of Pioneer Human Services' Manufacturing facilities will be offered at the end of Wednesday's closing remarks. It is required to register for this tour upon arrival at the conference because of limited space.
